

ELEONORA

Berlin based artist Eleonora is known to combine many genres like drone, indie, techno and downtempo in her own productions. The style and the singer-songwriting as well as the timbre of the voice has become a trademark of Eleonora now recognizable by many.

Rapidly rising from 2018 Eleonora released two own albums and made over 80 releases alone in the years 2021-22. The tracks with her voice were played by Tale Of Us, Hernan Cattaneo, Dubfire, Mind Against, Adriatique. She released on labels such as Katermukke, beanape, Ritterbutzke, Get Physical, Armada, Disco Halal, TAU, Somatic, Soundgarden and many more.

Eleonora's Live Performance already travelled to Cairo, Istanbul, Hamburg and Berlin as well as twice broadcasted by radio sunshinelive Berlin. Beside working on her solo career, Eleonora also collaborated with such artists as Moonwalk, Dubfire, Moscoman, Nicolas Rada, Morttagua, Ery Tepshi, D-Formation, Cabaret Nocturne, Kiko, Rafael Cerato.
